**Narrative 1 - ORIGINAL**

Dispatched to 119 Preston Ave on the report of a civil matter.

Upon my arrival I met with Mr. Raymond Colasacco and Mr. Rick Colasacco.

Mr. Raymond Colasacco advised me he was provided a number for a cleanup crew on January 19, 2022 from The Westchester County Medical Examiners Office.

Mr. Raymond Colasacco advised me he contacted Crime Scene Cleanup (800-991-3645).

At 0315 hours on January 20, 2022 a representative named Chris arrived from the company Aftermath at 119 Preston Ave, and met with Mr. Rick Colasacco and advised him that he could not start work until he was provided an insurance policy number.

Mr. Rick Colasacco could not find the policy number and Chris left the scene without performing any work.

The next day Mr. Ray Colasacco found the policy number and contacted Chris with the information.

Chris advised Ray that he would be assembling a crew to begin work as soon as possible.

At approximately 1330 hours on January 20, 2022, Chris and a male and female arrived in a van from Aftermath to conduct the work.

Chris reassured Raymond that the work would

be covered by insurance and not to worry.

Raymond advised me he had signed papers provided to him by Chris and signed agreements on a tablet.

Chris reassured Ray again to

that insurance would be covering the work and that he would only be responsible for the deductible.

Raymond stated he was not provided any copies of documents he signed for.

At approximately 1440 hours on January 20, 2022 Aftermath began work at 119 Preston Ave.

## Incident Report

At 1707 hours on January 20, 2022 Chris sent Mr. Raymond Colasacco a text message letting him know they were taking a 45 minute lunch break.

At 1809 hours the female employee contacted Mr. Rick Colasacco and told him that she needed access to 119 Preston Ave since they were back from their lunch break.

Mr. Rick Colasacco responded to 119 Preston Ave and as soon as they had access to the residence Chris advised that there was a problem and work needed to be stopped.

Chris advised me that Liberty Mutual wanted to send an adjuster to the scene to justify the \$37,000 worth of work that was quoted.

At this point Chris and his crew took their equipment and left the property.

At this point Mr. Raymond Colasacco Mr. Elias Rabadi at Liberty Mutual and he was advised that Liberty Mutual did want to send an adjuster, but never issued a stop work order.

On the morning of 01/21/2022, Mr. Raymond Colasacco received a call from Brian, a supervisor at Liberty Mutual.

Brian advised that the company Aftermath and Crime Scene Cleanup were under investigation and that Chris never called Liberty Mutual for authorization for the work.

Mr. Raymond Colasacco would like to document the incident at this time in case of possible insurance fraud.

See attached witness depositions from Raymond and Rick Colasacco.

Sgt. Hinchey contacted the Westchester Medical Examiner's Office and advised them of the incident that occurred and that Aftermath/Crime Scene Cleanup is under investigation for possible insurance fraud.

STATES AS FOLLOWS

On the night of Jan 19 2022 after the tragic event at 119 Preston Ave my family and I were given a list of Tropic Incident cleanup crews. My Uncle Rick Colasacco called the first name on the list Crime Scene Clean up at 800-991-3645. At 0315 a company arrived at 119 Preston Ave with a representative named Chris with a phone number of 475-559-4729 upon arrival said person advised Rick Colasacco that the work can not begin until we can provide an insurance policy number and left the scene. The next morning I was able to obtain the policy number via Liberty Mutual and supplied it to Chris from Astorworth (the company that arrived at 0315) Chris then advised he will be assembling a crew and be to us ASAP. At approximately 1330 Chris arrived in a white van with a crew of one white male and one white female as well as himself (white male) he then had me fill out a hard written form and sign. He informed me he had to go in his van and call the insurance company to obtain a ~~policy~~ claim number and approval. Approx 45 min later Chris returned with a laptop in hand and proceeded to show me and Rick Colasacco documents informing us that he spoke with Liberty Mutual and obtained a claim number and approval to complete the work. I and Rick Colasacco asked and were reassured that the job was covered in full and we would only be responsible for the deductible, with that knowledge I signed all documents via a electronic device and was promised an email copy of all documents of which I still do not have. At approximately 1430 Chris and his crew began the work. Rick Colasacco and I left 119 Preston Ave as they worked. At 1707 Chris sent me a text message stating him and his crew were taking a 45 min lunch break.

As soon as the door was open for the crew Chris advised there was a problem and work needed to be stopped he advised that Liberty Mutual wanted to send an adjuster out to review the site and damage to justify their bill of \$37,000 plus dollars. At that point Chris and his crew packed up all their equipment and left. Rick Colascio then called me. I immediately call the insurance agent Elias A Rabacki at 914-708-4727 and advised him of the situation. Elias informed me he would call Liberty Mutual Claims department and get back to me. Approx 45 min later Elias returned my call and advised he saw no stop work order but cont to look into it. He then called back and advised Liberty Mutual wanted to send a claims adjuster out to evaluate and justify the amount.
